## About Our History Camp

### The Program

- Week-long classes are held at the beautiful two-acre Cooper-Molera Adobe which has 1820s-40s adobe buildings and a heritage garden. The property is a National Trust for Historic Preservation site.

- Program staff include California credentialed teachers and State Park Interpreters who lead the students in activities which include tours of Monterey's historical sites and buildings, period

games and toys, crafts, food, songs and dances, and Spanish vocabulary.

- The week culminates in a "Fandango" where students share what they have learned with family members and take home the treasures they have made.
- Students are also provided with historic reproduction clothing to wear for their week of time travel—please note your child's clothing size information on the registration form.
